The annual FZK/CRC Retreat is the scientific exchange platform for all Kispri-Researchers. On this occasion, researchers present their projects, research ideas are exchanged and common interests discussed. The FZK/CRC invites all interested researchers and clinicians to get to know the remarkable variety of research taking place at the FZK/CRC. Please take this opportunity and register for the 9<sup>th</sup> FZK/CRC Retreat no later than Thursday, October 10, 2019.

We invite all active researchers to submit an abstract. Abstracts will be selected for oral presentation (based on defined selection criteria and preferably younger scientists) or can be presented as a poster presentation. An online form for abstract submission and registration as well as information on the selection criteria for oral presentation will be uploaded on the *Infopoint*. Prizes will be awarded for best oral and best poster presentations. Information on the selection criteria for oral presentation will be uploaded on *Infopoint*.

Following the scientific program, an *Apéro Riche* will be offered. Attendance and/or participation is free of charge. A tentative program is attached below.

We look forward to a successful and eventful meeting. The scientific organizing committee of the 9<sup>th</sup> FZK/CRC Retreat
